RE: Piedmont Natural Gas Company, Inc.
Notice of New Natural Gas Construction Project
Docket No. 2012-278-G

Dear Ms. Boyd:

Piedmont Natural Gas Company, Inc. ("Piedmont" or "Company") is required to notify the Public Service Commission of South Carolina ("Commission") "of any construction projects resulting in a cost of \$500,000 or more." See 26 S.C. Code Ann. Reg. 103-412.2.7. In compliance with Commission regulation, this letter serves as notification to the Commission that Piedmont plans to replace the Chesnee Field regulator station. Replacement of the station will increase system reliability. Piedmont will replace the entire station including regulators, meters, water bath heater, and 10-inch station piping (design pressure: 1000 psig) as well as remove the existing station and equipment. Project F0230770 is in Spartanburg and Piedmont expects to complete construction on this project by September 30, 2021.

By copy of this letter, Piedmont is also notifying the ORS of this construction pursuant to S.C. Code Ann. Reg. 103-412.2.7(A).

Please do not hesitate to contact us with any questions.

Sincerely,

/s/ T. Richmond McPherson III
